

Formerly Pro-Choice Ohio **ABORTION FORWARD**

Ohio voters will return to the polls for the first General Election vote since enshrining reproductive freedom in the Ohio Constitution, and abortion rights continue to be the driving issue in many key races. With an eye on upcoming court battles and a national debate on federal abortion policy, *Abortion Forward* is announcing our full endorsements and recommendations for federal and state offices.

Our *Abortion Forward* team is geared up to win in 2024, and we need your continued support. You made the difference last year, and Ohioans are counting on you to stay strong for them and do whatever it takes to protect abortion access for everyone.
